

Vacation internship at EDBC 2022

Management Assistance

To strengthen the Data Science team, Evolution Data GmbH is advertising the following internship positions for the team in Sakarya:

Internship in Management Assistance

Areas of responsibility:

- Presentation Design
 - Create reports for tracking project-related deadlines, ongoing tasks, and project progress in Powerpoint.
 - Creation of presentations to visualize possible project scenarios in PowerPoint or Prezi
- Creating Excel lists
 - Creating and modifying Excel lists using Excel commands and pleasant visualization
- For these activities, excellent communication skills in English as well as experience using PowerPoint is required, although a small training session will also be held on our part.
- However, motivation to learn new areas quickly, clear and courteous communication and a high work ethic are mandatory.

Duration of the internship: up to 3 months

Subsequent full-time or part-time employment is possible provided a good evaluation is received.

Our summer internships are awarded in the summer months of August, September and October 2022 for a duration of 1 to 3 months. For this internship (25 hours per week) you can expect a monthly gross salary from 3.500,00 TL.

If you are interested in an internship, send us your application to jobs@edbc.eu
